Dear Mr. Poitevint:

On May 7, 1997, you were notified that a review of the above-referenced report(s) raised questions as to specific contributions and/or expenditures, and the reporting of certain information required by the Federal Election Campaign Act.

Your May 23, 1997 response is incomplete because you have not provided all the requested information. For this response to be considered adequate, the following information is still required.

-Your response provided a copy of the bank confirmation for the wire transfer of \$36,000 on 11/22/95 from the Michigan Republican State Committee (MRSC). Even though your committee reported depositing the funds, the Federal Account of the MRSC did not report making the transfer. The Commission notes you have contacted the MRSC concerning this transfer and they are checking on the matter. If it is determined the funds were from the MRSC Non-Federal Account, you should either transfer them out to your non-federal account or refund them to the donor. Please inform the Commission of your corrective action.

If this information is not received by the Commission within fifteen (15) days from the date of this notice, the Commission may choose to initiate audit or legal enforcement action.
